3.5" Bay Multi Memory/Media Card Reader - Black

StarTech ID: 35FCREAD20BK

A convenient and versatile solution, StarTech.com's USB 2.0 20-in-1 flash card reader helps to enrich your multimedia experience, allowing you to quickly transfer, copy or store music, pictures and other data files to and from your flash media devices without having to connect them directly to a computer.

Compatible with a wide selection of flash media, 35FCREAD20BK can be installed in a 3.5' drive bay, or be used as a standalone flash card reader by simply connecting to an available USB port.

This card reader will support the following cards:

Compact Flash I and II, Microdrive, Secure Digital (SD), SD mini, SmartMedia (SM), MultiMedia Card (MMC), Reduced Size Multimedia card (RS-MMC), Memory Sticks, Pro, Duo, and Duo Pro.

Applications and Solutions

> Transfer files between flash media devices to your PC or MAC

Features

> Can be used as a standalone unit or installs into a 3.5" bay in your PC
